Welcome to the Advertising Department's monthly meeting. My name is Chris Wonders, and I have an announcement before we start. (1)I just wanted to remind you that all employees in the Advertising Department will get new computers per the president's order, and (2)you will need to save all your data and work onto a hard drive so that you will not lose any important information. The new computers come in on Saturday the 7th of July, and (3)we need to clear our computers currently in use by Thursday the 5th. Also, on Wednesday the 4th, a few workers from the cable company will come in to check our Internet network to make sure everything is okay. Now, let's start with a presentation from the Marketing Division.

7. Read the passage and choose the correct answer:

Dar Pfeiffer Reports Strong Q2 Profit

On Wednesday, Dar Pfeiffer, one of the largest brokerage firms in the world, reported a second-quarter profit that was 53% larger than expected. The second-quarter profit was attributed to a one-time deal with money manager Tapcourt.

Shareholders saw this profit in the form of a \$2.46 increase in share prices. The same period last year showed a \$1.07 increase a share. Excluding the deal with Tapcourt, Dar Pfeiffer would have reported a profit 23% larger than expected. Either way, Dar Pfeiffer topped market predictions for performance by at least \$1.58 a share.

- What did Dar Pfeiffer report?
 - A: That it plans to offer new services
 - B: That it had purchased a smaller firm
 - C: That it plans to increase its prices
 - **D: That it had made more profit than expected**
