**7. Read the passage and choose the correct answer:**

***Dar Pfeiffer Reports Strong Q2 Profit***

On Wednesday, Dar Pfeiffer, one of the largest brokerage firms in the world, reported a second-quarter profit that was 53% larger than expected. The second-quarter profit was attributed to a one-time deal with money manager Tapcourt.

Shareholders saw this profit in the form of a \$2.46 increase in share prices. The same period last year showed a \$1.07 increase a share. Excluding the deal with Tapcourt, Dar Pfeiffer would have reported a profit 23% larger than expected. Either way, Dar Pfeiffer topped market predictions for performance by at least \$1.58 a share.

- What did Dar Pfeiffer report?
  - A: That it plans to offer new services
  - B: That it had purchased a smaller firm

- C: That it plans to increase its prices
- D: That it had made more profit than expected
